A CLEAN MAN.

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues and fibers in every organ of the body. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It doesn't make the flabby fat of corpulency, but the firm flesh of health. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to inebriate or create craving for injurious stimulants.

Mr. John L. Coughenour, of Glen Savage, Somerset Co., Pa., writes: "My appetite was unusually poor and I was at times sick and nervous as though I had been starved for months. My heart kept thumping continually and I was short of breath. Finally I wrote to you for advice and you informed me that I had indigestion and a torpid liver. I did not think your diagnosis was right, but I ordered six bottles of 'Golden Medical Discovery' from you and began its use. After using three bottles I began to improve slowly, and after seven bottles I was well and working over time."

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. *—Dr. Pierce's Golden Medical Discovery.*

ANOTHER WONDER OF SCIENCE.

Biology has proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newcomb's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

THE KEY THAT UNLOCKS THE DOOR TO LONG LIVING.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by Gibson & Timberman and W. F. Creighton & Co.

A Liquid Cold Cure.

Croup, Coughs, Colds, Whooping-Cough, etc., have no terrors for children or adults who evacuate the bowels with Kennedy's Laxative Honey and Tar—the Original Laxative Cough Syrup and Liquid Cold Cure. This remedy expels all colds from the system and strengthens the throat, lungs and bronchial tubes. The mother's favorite and children's safeguard. Sold by W. F. Creighton & Co., 401 King Street.

The mission of "Early Risers" is to clear the way and give Nature full sway. These famous little pills rid the stomach and bowels of all putrid matter, thus removing the causes of headache, constipation, indigestion, nervousness, etc. A safe, pleasant, perfect pill. Sold by W. F. Creighton & Co., 401 King Street.

Shot in the Back.

W. M. Sherman, of Cushing, Me., was shot in the back, hourly, day and night, for full three months by the shooting, tearing and racking pains of Kidney Inflammation. He writes: "I used three bottles of Electric Bitters, and know that they have permanently cured me, for I feel like a new man. I recommend them to all who are afflicted with kidney trouble." It's just as sure to relieve and cure malaria and all stomach and liver complaints, general debility and female weaknesses. Guaranteed by E. S. Leadbeater & Sons, druggist; price 60c.

Act of Insane Father.

Becoming suddenly insane while recovering from the measles, Hayden Watrous, a middle-aged man, living in Mystic, Conn., put his five small children in a box wagon and started six days ago on a wild ride about the State, begging food from house to house, and not allowing the children to leave the wagon at any time. The father and his children slept on the wagon every night, and as the days passed the sufferings of the little ones increased, so that when they were overtaken near Clinton last night by Watrous's brother, the youngest of the lot, a two-year-old boy, was nearly dead. The insane man's brother started in pursuit of Watrous a day or two after Watrous left home, and found traces of him in several towns throughout the State, but just as he seemed to be in a position where he could overtake him, the trail was lost, and the insane man was not caught until last night. When he saw his brother he started to fight, and it was only after a desperate struggle that Watrous was subdued. He was bound with ropes, put in a carriage, and brought to the station and later taken to his home, his brother going with him. The children were suffering terribly from the lack of food and clothing, and some of them are said to be in a critical condition.

Police Department Threatened.

Persons from whom the police department has been able to gain some meager information on the Finnish murder of George Beluchi, the Mount Auburn, O. 10, shoemaker, last Friday morning, received letters yesterday warning them that they were talking too much, and would meet a similar fate to the dead man's if they persisted. Chief Milliken, Lieut. Fisher, and the detectives received similar letters. Detective Kelly has gone to Cleveland on the trail of an Italian suspect. Evidence has been found indicating that the shoemaker was the victim of the Mafia. Before his throat was cut he was tortured with a red hot poker that was used to brand him about the face and body, after which it was twice thrust into his abdomen. His hands were seared to a crisp where he had caught it in an attempt to ward off the brutal attack. The body was otherwise mutilated in an indescribable manner.
